At Exa Education, we create an individual proposal for every school we speak with. We don't offer generic packages, or a one-size-fits-all solution, we only recommend the speed and services that a school needs - ensuring that you will never pay a penny more than you have to.

For your school, we recommend the following services:

The **Year 1** price\* will be as follows:

For the services which have an annual cost, the **recurring** price\* will be:

\*all prices are subject to VAT and  
invoiced annually
